

The Principal's Post

Volume VIII, Issue I

LYNCHBURG-CLAY MIDDLE SCHOOL

October 23, 2020

by Dr. Casey T. Smith

Communication...

With the start of this school year we had to make changes so that students can learn and thrive without raising the risk of spreading Covid-19. Our students, staff and families have done an incredible job being flexible with all of the new safety and health protocols. Schools provide more than just academics to children. In addition to reading, writing and math, students learn social and emotional skills, get exercise, and have access to mental health support. Please remember the staff at Lynchburg-Clay Middle School is here to meet the many needs of your students during this difficult time. We will make every effort to help your child achieve academically and socially this year. If we can do anything to assist you, please feel free to contact us as learning is a shared partnership.

Mission

Statement

The Lynchburg-Clay School District is committed to continuous improvement. Through the combined efforts of the entire school community, we will provide challenging standards-driven curriculum and research-based instructional practices so that all children within our charge shall achieve at the highest level of learning.

Students...

The 2020 Lynchburg-Clay Middle School Cross Country team made great improvements this season. At the conference meet the boys' team took 1st place and the girls' team 5th place. Great work team!

Cafeteria News...

The USDA is allowing our cafeteria to serve free breakfast and free lunch meals to all in person learners now through the end of the school year!

Your student does not need to do anything, except come through the line and get a free nutritious meal!

We do ask that you please continue to return your student's free/reduced meal application, if you believe you may qualify, so it is already on file.

Outreach...

We also welcome Mrs. Joni Layne. She is working with students in grades K-12 this school year. She is a licensed Social Worker and School Counselor. She can provide many resources to our students and families.

She would love the opportunity to talk with our parents about meeting the needs of our students. Feel free to contact Mrs. Layne at the middle school if she can assist you in any way.

@LCMSMustangs

Dates to Remember

November 5: Veterans Program

November 12: Parent Teacher Conferences

November 25-27: No School Thanksgiving Break

December 18: End of 2nd Quarter/ Early Dismissal
