Communication...

The year's end always brings with it a tremendous sense of accomplishment! From the Covid Protocols, to athletic accomplishments, to Pi Day activities our students have been involved in an extraordinary number of activities. Of course, we should not forget the tremendous amount of learning which has taken place during the year. Throughout all of these activities our students have demonstrated great character.

Farewell to our 8th grade class. Let me congratulate you and commend you most highly for your extraordinary achievements. You have impressed the administration and staff throughout your years as a student at Lynchburg-Clay Middle School. You have contributed a lot to your school, and that contribution has helped in your own development. I know you will do well in your future endeavors and continue to make all of us, including your parents, proud of your accomplishments. More than that, I know you will continue to be the fine young person you have become.

Mission

Statement

The Lynchburg-Clay School District is committed to continuous improvement. Through the combined efforts of the entire school community, we will provide challenging standards-driven curriculum and research-based instructional practices so that all children within our charge shall achieve at the highest level of learning.

Track and Field...

The girls and boys had a remarkable track and field season this year. Some highlights from the girls include Olivia VanFleet who took home 2nd running the 200m dash in the conference meet. Notable boy athletes include Noah Bitzer who took home a 2nd in the 200m hurdles and long jump and Braedon West who medaled in the shot put at the conference meet. All team members had a positive attitude and willingness to listen and be coached to provide for a successful 2021 track season.

Student Council...

We would like to take this time to thank all of our student council members for their service to their classmates. Their ability to work as a member of a group, their well-organized manner, and their concern for making the school a better place was obvious to all who worked with them. This year the group raised funds to offset the costs of our incentive trips. We appreciate their hard work and dedication to Lynchburg-Clay Middle School.

Incentive Reward...

Students enjoyed a fun day of skating for our fourth quarter incentive.
