

ACT: Raising Safe Kids Program

ACT is a research based program to help parents with disciplining their children in a positive and effective way. Learn why children behave the way they do; positive ways that work to discipline children and how to understand and control both your own and your children's anger.

There are 8 sessions in this training. This training will be divided into two sessions one day a week for 4 weeks. At the end of each session, you will receive a \$15.00 gas card. Due to COVID, we will only have ten spots available.

If interested in signing up or have any questions, please call Jeanette Mottie at 1-937-393-3458 ext 139.
