

Welcome College Prep Freshmen!

I'm so excited to have you in class this upcoming fall! We have many different topics to tackle and books to read. Before we get there though, you'll need some information about the summer challenge assignment.

On the Lynchburg-Clay school website you will click on the link that has your Summer Assignment for CP English I. Also, it will be found on your Google Classroom (code to join found below). This assignment is to be completed by your first day of school for the 2021-2022 school year.

You will be doing a project on Google Classroom. Your class code to join is: ghyvrfm. Your information on the assignment can be found there. It's nothing too hard, and my hope is that you'll actually enjoy it. A piece of advice – don't wait until the end of the summer to do it.

If at any time you have any questions or concerns, just send me an email: meredith.hooper@lclsd.org. I try to check this at least once a week during the summer.

I hope you have a fun and safe summer!

Sincerely,

Ms. Hooper

LCCHS English I and C.P. English I teacher
