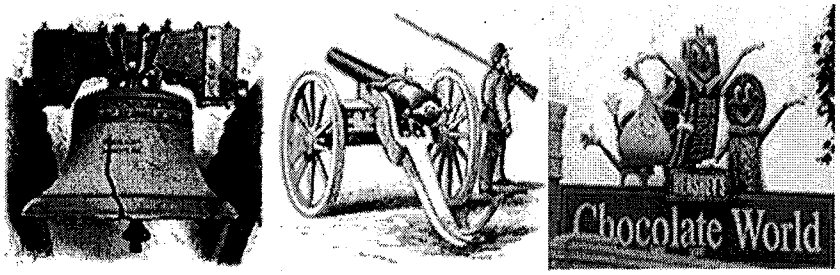
# LYNCHBURG-CLAY MIDDLE SCHOOL
# 8TH GRADE TRIP
# PARENT/STUDENT CONTRACT



Lynchburg-Clay Middle School is committed to providing students with the best educational experience possible and we feel this trip does provide a great experience. However, we also realize this trip is not for everyone (financially, schedules outside of school, family decisions, COVID-19, etc.). This trip is three nights away from home and our schedule makes for very long days. Students need to be flexible and patient because we are on tight schedules that may change unexpectedly due to weather, traffic, or other delays.

We also have high expectations of behavior and require our students to represent our school in a positive manner. This experience is a privilege, therefore the following is a list of possible scenarios that would lead to removal from the trip.

1. Suspensions
2. Excessive Incentive Points (determined by administration/staff)
3. Grades (Failing more than one subject)
4. Habitual or Chronic Absences
5. Other discipline issues (determined by administration/staff)
   a. ISS
   b. After School Detentions
   c. Saturday Schools
   d. Extra-Curricular Suspensions

I have read and understand the information presented in this contract.
